Practice Round

My topic and grade level:

DIRECTIONS	NOTES
1. Review the handouts from the topic that you have selected for critical information.	
2. Read through the Grade 3 or Grade 7 Overview independently, annotating for areas of focus, insertion, and modification points based on your topic.	
3. Identify what should remain the same and what needs to change based on your knowledge and topic. This can be done through a summary or ongoing annotation.	
4. Locate an individual in your grade band (P-5, 6-12) who is focusing on a different topic. 5. Discuss: What is strong at the high level about this unit?	
6. What would need to be added and how the focus would have to shift in order to adapt the unit to the learnings that you have focused on from the week.	
7. What the next steps would be.
